January & February NEWSLETTER

2012 - Happy New Year

Hello from Bruce,

I'm a little late with January's Newsletter this month, so I joined January and February together.

January has already been busy, with lots of renovations for clients being completed. The holiday period was great spending it with family and friends. We took a short break to Bicheno over the New Year period. It's so enjoyable watching Jessie, Ella and Mia opening presents on Christmas day, the surprise and laughter is priceless.

A little piece below that's not related to building houses but is more related to building your own inner health and relationships. That is something we can all do with a little help on at certain times, enjoy...

Hobart Pathways of Light Free Introduction Workshops **in February**

My partner Clarissa is organising with Counselling Expert Ron Cruickshank, Personal Development Workshops in Hobart in February.

Here is a letter from Ron and you can access the Workshop Flyers and Book for the **FREE Events** at:

1 in 5 need us!

Hello Ron Cruickshank here,

The statistics are actually higher than that. We are seeing that 1 in 5 people will experience a diagnosable mental illness during their lives and the number requiring counselling or coaching support will be far greater.

That's why I am writing to you, because you yourself may relate to what I am saying here or may even know of friends or family that are interested in more happiness in their lives. I want to support and help as many people around me as I can.

With better education these days, more and more people are becoming aware that they need to do some type of development to get the balance back into their very hectic stressed lives. You can probably relate to this.

That's where we come in, we are qualified and specialise in helping you and others with counselling or coaching services by one on one, couples or workshop support. Right now we have **FREE Introduction Seminars in Hobart for personal development workshops**.

It's also well known that the more successful happier person is generally more balanced in everyday life in the areas of: Financial, Relational, Spiritual and Physical. We are qualified counsellors and have been operating in Hobart for over 8 years. You can go to our website and see our qualifications and events at: www.pathwaysoflight.com.au

The FREE Introduction Workshops are on the 4th and 18th February, three different types running for 2 hours each. Sign up for the event that suits you or come to them all at: www.pathwaysoflight.com.au/events

Click on the attached Letter and Flyer for more information.

If you would like to receive free resources and newsletter from us, please go too: <http://www.pathwaysoflight.com.au/user/register>

Also, Business and Internet Coaching Entrepreneur Clarissa Leary and Bruce Sloan will be at the event to help support everyone, you will get great value from these two experts in personal development and as Clarissa Says: "Take Action, Live Deliberately, Love Life". Book your Event, don't let your doubts stop you.

I look forward to working with you.

Kind Regards

Ron Cruickshank
